

## 12511 Oak Park Drive - windows project

- Quantity and size of each window - **with pictures below**
- Single Hung or Double Hung, picture window, etc. of each window. **With pictures below**
- Type of glass - Clear, Tinted, Reflective Glass, other of each window that is not clear. - **All windows will be lightly tinted greenish, double glass**
- Grids or no grids of each window that is gridded. **Current vs new picture below, no grids on windows what currently don't have grids. This is patten what will be applied with larger grids**

- Will there be any structural changes (size or changing a window to a door, etc.)? **No**
- Who will be installing the windows?

Installation will do:

**Gilberto's Window Repair**

Gilberto Mejia

(832) 356-9039

(832) 608-5416
